## OTHER ACTIVITIES

### Can You Recognize the Signs of a Stroke?

Do you know how to recognize the warning signs of a stroke? If you or someone you know is experiencing any of the below symptoms, call 911 right away. It is important to seek medical treatment immediately.

- Sudden Numbness
- Difficulty Speaking
- Severe Dizziness
- Loss of Coordination
- Sudden Loss of Vision
- Sudden Intense Headache
- Brief Loss of Consciousness

Protect your health by finding out your risk of having a stroke by participating in the Life Line Screening that will be at **Stockbridge Presbyterian Church on Wednesday, February 26, 2014**. Through ultrasound we evaluate the carotid arteries for the buildup of fatty plaque, which is the leading cause of stroke.

Please note that you must sign up on either the provided registration sheet (available on the flyers) or by calling the special Helping Hands registration number, which is 1-800-324-9458, in order for SPC to receive our \$10 donation as well. If you prefer to visit the exclusive Helping Hands website to register, you may do so by visiting [www.helpinghandsforhealth.com](http://www.helpinghandsforhealth.com). You must sign up one of these three ways in order to get both the \$10 discount as well as the \$10 donation for SPC. The registration form for this event is an insert in the bulletin.
