 Dear SPC Family,  
 I delivered the Goodness and Groceries bins to Smith Barnes early on January 17th and had a wonderful conversation with the counselor. She asked me to let our congregation know how much the children and their families appreciate the extra food. She said that when she made parent phone calls to get permission to send the food home the stories she heard brought tears to her eyes. She also wanted me to let the note writers know how much the written words of kindness and encouragement mean. She said it was just what the students need. Further, she said for everyone to keep working because we are making a real difference in the lives of the families. Can I get an amen? Thanks so much to all of you who support this program! — Betsy
